

# “CPRI Brake Shop” *Pat On The Back!*

---

## **BECAUSE you have “leaky brakes”, this certifies that:**

☞ You are far **stronger**, more sensitive, intense, creative, “**quick**”, energetic and caring than many people probably realize.

☞ To do well, you have to **work much harder** than others who do well.

☞ **We understand, and we are rooting for you!**
